

Estate Rail

Introducing a new use for an old favorite — “The Estate Wall”

4" x 12" x 8"

Estate Wall

Now you can utilize the Estate Wall to build lasting, strong and attractive Grotto Estate Rails. Incorporate our Column Kits to form an attractive barrier for any project. The many uses include driveways and elevated patios. Available in Cedar, Chestnut, Granite, Hickory and Walnut color blends.

** Always consult your local building inspector to ensure compliance with all local building codes before designing or constructing any Grotto Estate Rail.*
